Article Submission Policy

Articles to be submitted for publication on our website must conform to the following rules/guidelines:

- Must be 100% exclusively yours and must not have been submitted to any other platform
- Make use of proper English (American or British but not both), spelling, grammar, punctuation and sentence structure
- No previously published article should be submitted, except in the form of an abstract
- Must not contain defamatory, offensive, libellous or negative content towards any product, company, individual or group.
- There should be no pornographic material
- Should not be less than 500 words
- Ensure you provide captions for illustrations (if any)
- Any article submitted with advertorial or commercial content will not be accepted
- Include your name in full, as well as your e-mail address
