

Workshop on Oil & Gas Law: Contracts and Liabilities

February 23 – 27, 2026

Venue: The Palace Pyramids Hotel

Farouk Ahmed Khattab, Giza, 12557 Cairo, Egypt

Course Fee: \$4, 500 per Participant

Program overview:

This comprehensive training program delves into the intricate world of Oil & Gas law, focusing on the contractual frameworks and liability issues that shape the industry. Designed for legal professionals, industry specialists, and corporate managers, this course provides a detailed examination of the legal principles governing oil and gas operations, from exploration and production to transportation and refining.

This course will equip participants with the knowledge and skills needed to navigate the complexities of oil and gas contracts and liabilities, ensuring that they can manage legal risks effectively and stay compliant with industry standards.

For Whom:

This course is designed for legal professionals, oil and gas industry managers, contract administrators, and anyone involved in the legal aspects of oil and gas operations.

Learning objectives:

At the end of the program, participants will be able to:

- explore the foundational legal concepts and regulatory environment of the oil and gas industry.
- gain practical skills in drafting, negotiating, and managing oil and gas contracts.
- identify potential liabilities and develop strategies for effective risk management.
- master dispute resolution techniques and stay abreast of current legal trends and challenges.

Course outline:
